Enhanced surgical care for you, near **you**.

AMITA Health St. Mary's Hospital Kankakee recently added 6 new surgeons to our staff, dramatically increasing the surgical services, trauma and critical care we can provide to our community.

The surgeons joining our staff will have access to our surgical suites with state-of-the-art imaging and equipment, including minimally invasive and robotic surgery options for faster, easier recovery. Here is a list of just some of the surgeries our team can provide:

- hernia repair
- hemorrhoids
- removal of the appendix and gall bladder
- breast surgery
- treatment of burns
- colonoscopy

No matter what type of surgery you need, our care always puts you at the center and is compassionate, and accessible. AMITA St. Mary's Kankakee is your destination for surgical care.
