

The background of the image is a light, neutral tone, possibly white or very light blue. It is decorated with tropical elements. In the upper left and right corners, there are palm fronds and a coconut. The fronds are long, thin, and green, with some showing signs of wear or damage. The coconut is split open, revealing the white flesh and the brown husk. In the lower left and right corners, there are more palm fronds and a large, dark green, glossy leaf, possibly a banana leaf, which is partially visible. The overall composition is clean and modern, with a focus on natural, tropical motifs.
